

# IN MEMORIAM

We mourn our brothers from Rancho Bernardo Veterans of Foreign Wars Post 7766 and the General J.P. Holland Chapter of The Military Order of the World Wars who have left us during this last year to join the Chapter or Post Eternal. These fine men have gallantly served their country in time of need. Their service is worthy of honor and respect as we set aside a moment devoted to their memory on this Memorial Day.

# U.S. Congressman Scott Peters, 52nd District

Congressman Scott Peters serves California's 52nd Congressional District, which includes the cities of Coronado, Poway and most of northern San Diego. First elected in 2012, he currently serves on the House committees on Armed Services and on Science, Space, & Technology Committee.

Scott Peters is a civic leader who has made improving the quality of life in San Diego his life's work. After a 15-year career as an environmental lawyer, Scott was elected to the San

Diego City Council, where he later became the City's first City Council President. On the Council, Scott helped lead the \$2 billion redevelopment of downtown San Diego, the cleanup of the city's beaches and bays, and the completion of a number of major infrastructure projects. He also pursued greater accountability and efficiency in government through the creation of a new Council/Mayor form of government with an independent budget review function.

In 2001, the governor appointed Scott to the Commission on Tax Policy in the New Economy, and in 2002, the Speaker of the Assembly appointed Scott to the California Coastal Commission.

Scott also later served as chairman of the San Diego Unified Port District – a major economic engine that supports over 40,000 high-skill, high-wage jobs for San Diegans, with \$3.3 billion in direct regional economic impact.

Scott earned his undergraduate degree from Duke University (magna cum laude, Phi Beta Kappa) and worked as an economist for the United States Environmental Protection Agency before attending New York University School of Law. He and his wife of 27 years reside in the La Jolla neighborhood of San Diego, California, where they raised their son and daughter.
